CASE NO. CR 18-465 MMC

UNITED STATES' MOTION TO UNSEAL THE
ABOVE-CAPTIONED CASE IN ITS ENTIRETY;

WML
ORDER

The above-captioned case was indicted on September 27, 2018. Summonses were issued for the five defendants on September 28, 2018. Accompanying the Indictment and Summonses were the United States' Motions to Seal both as well as related paperwork because the disclosure of the Indictment and Summonses may cause the subjects of the Indictment to avoid service of process or destroy evidence, jeopardizing the prosecution of the case. The government sought leave to provide the Indictment and Summonses to agents of the Federal Bureau of Investigations, other United States law enforcement, employees of the Department of Justice and other agencies of the United States government, and law enforcement agencies in Taiwan and the People's Republic of China, in order to effectuate service of process on the defendants and facilitate the prosecution of the charged case. The Court granted the

1 United States' applications to seal the Indictment, Summonses, and other related paperwork.

2 Since then, the United States has served the defendants with the Summonses and now moves to
3 unseal the above-captioned case in its entirety, including the Indictment, Summonses, and other related
4 paperwork as of **November 1, 2018 at 9:30am PST**.
